Important Reminders

- Please send your students with their hair pulled back. Hair pulled back is mandatory, and we do not have enough supplies on hand to put each student's hair up for each class.
- Make sure your student's name or initials are inside all of their shoes. As we get closer to pictures, rehearsals, and recitals, it is very easy to lose track of shoes.

Pictures

Pictures will be at the studio the week of April 22-25. You MUST arrive on time for pictures, as it is a very tight schedule and we do not want to start running behind. The times for each class' picture will be announced at observation, please call with any questions. For pictures, you can have hair and makeup however you want, but we do recommend a little makeup for the little ones, just so that their features show up better on camera. Please bring all pieces of the costume, even if you aren't sure it will be worn. Please bring all shoes and colors of tights. Take all costumes out of the bags ahead of time to let the wrinkles out. Please have your child's name or initials inside of every costume piece, so it does not get lost or confused. If there is time, we can have families pose for sibling pictures in their costumes, but please let us know if that is something you are interested in, so we can plan accordingly.

Rehearsals/Recital

Ms. Carol will announce at observation which show(s) your child will be performing in, and which rehearsals they will be attending. The rehearsals are during the week, but they may not be at your regular day and time, so please pay attention. If you have any questions regarding this, do not hesitate to call or email.
