Stay Healthy

One of the best ways to stay healthy is to eat healthy snacks and drink lots of water. If your child is here for more than one class, we encourage you to send a healthy snack to help keep their energy up. Sugary snacks give a nice burst of energy, but lead to a crash. We also prefer neat snacks, that are easy to clean up after. We provide cups in the bathroom, but everyone is welcome to bring their own water bottle to dance class.

Important Reminders

- Please send your students with their hair pulled back. Hair pulled back is mandatory, and we do not have enough supplies on hand to put each student's hair up for each class.
- Make sure your student's name or initials are inside all of their shoes. As we get closer to pictures, rehearsals, and recitals, it is very easy to lose track of shoes.
- Tuition is due at the first class of every month. Any payment received after the 10th of the month will have a \$15 late fee added on. Please let us know of any special circumstances, and we will be glad to work with you.
- Please have students arrive 10 minutes before their scheduled class time, and have all bathroom breaks completed before class.
- The summer class schedule will be released in March.

“When you dance to your own rhythm, life taps its toes to your beat.”

-Terri Guillemets

“When you dance, your purpose is not to get to a certain place on the floor. It's to enjoy each step along the way.”

-Wayne Dyer

Costumes

Payments have been processed for Preschool, Kindergarten, and 1st-4th grade costumes if you are on autopay. If you are not on autopay, an invoice will be sent home. Hip Hop/Modern, Intermediate, and Advanced costume invoices will be distributed and payments processed at a later date.

Lost & Found

We have a new lost & found system! Each night of the week has a bucket in the front, under the merchandise rack. Please check the bins (and coat racks) periodically for your child's items!
